

# RI Youth Workforce Development System

Several workforce agencies in Rhode Island have partnered to help youth ages 14-24 prepare for, find and advance in meaningful jobs. Through this new system of youth centers, industry partnerships and web-based services, you can:

- Prepare yourself for the world of work.
- Gain real on-the-job experience.
- Explore the best career options for you.
- Plan for the right education and training to make your career dreams come true.

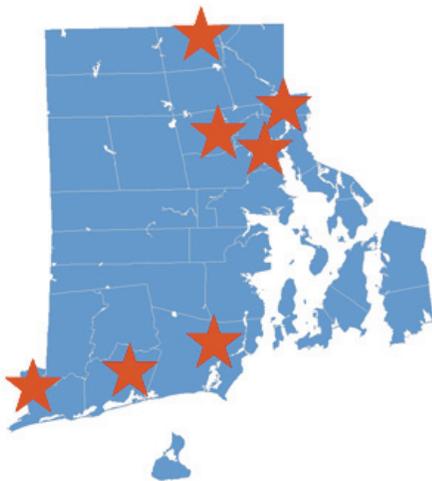

Partners in the Youth Workforce Development System include the RI Dept. of Labor and Training, the Governor's Workforce Board RI, Workforce Solutions of Providence/Cranston and the Workforce Partnership of Greater RI.
