

Rhode Island Manufacturers Want You!

Get a Job in Just 6 Weeks

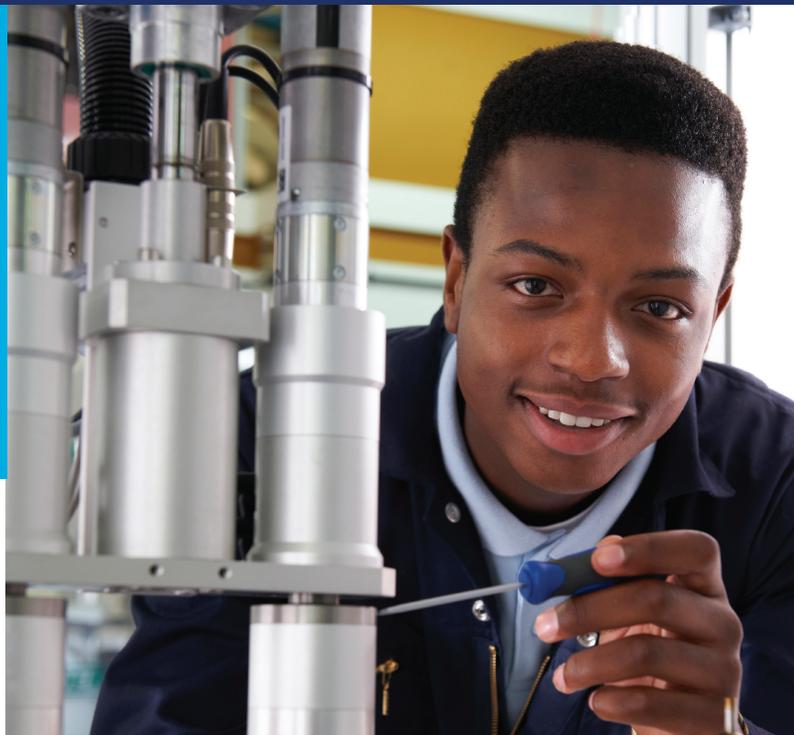

- **Multiple manufacturers have asked us to find people like YOU who are motivated and want to work in manufacturing!**
- **We have tailor made the training they asked for**
- **We will train you at no cost**
- **Target employment date as soon as May 27th**

The Rhode Island Manufacturing Boot Camp is provided by **Polaris MEP**, the **Rhode Island Manufacturers Association (RIMA)** and **Workforce Performance Solutions (WPS)**, and is part of RIDLT's *Real Jobs Rhode Island*.

The program is designed to empower the unemployed or under-employed with the skills and knowledge needed to fill positions as soon as possible at top manufacturing companies in the state.

There is **no cost** for you to participate and **no prior manufacturing experience or training is required**, but you must be 18 years old or older, drug-free, a legal Rhode Island resident, and able to understand English.

Classroom Training begins April 18, 2016 in Warwick. You need to arrive by 9:30 AM and remain until 3:00 PM, Mon-Thurs each week. You'll have one 30-minute lunch break and two 15-minute breaks daily.

In six weeks, you will receive training on:

Workforce Employment Skills

1. Corporate Expectations (dress, timeliness, etc)
2. Fundamentals of Math, Reading and Computers
3. Communication and Organization
4. Teamwork and Leadership

Basic Manufacturing Skills

1. Shop Safety
2. Hand Tools
3. Precision Measurement
4. Understanding Process Flow

On-the-Job Readiness Experience will allow you to interact with the hiring companies on the manufacturing floor for at least two days.

During the final week, qualified candidates will be offered employment opportunities. Coaching will be provided as needed during the candidates' first month on the job.

**Talk to us about how we can
connect you to your next job today!**
