Rhode Island 2010 Affirmative Action Data

The Equal Employment Opportunity tables in this report were prepared using the US Census Bureau's Census 2010 and 2010 American Community Survey (ACS) 1-Year Estimates. The Labor Market Information Unit of the Rhode Island Department of Labor and Training has the responsibility for formatting the data to meet the US Census labor force data requirements for an Affirmative Action Plan. Labor force data reflect only the civilian population (military is excluded) 16 years of age and above.

Occupations are based on the Standard Occupational Classification (SOC) system, which includes 23 major groups. This classification system categorizes occupations according to the nature of the work performed and relates these occupations to others of a similar nature. Because the military is not included, twenty-two major SOC groups are presented in this report.

The tables contained in this report are also available on the Labor Market Information web site at www.dlt.ri.gov/lmi/publications/affirm.htm

Additional information can be found at www.census.gov. Estimates may not add to the total due to rounding. Although the American Community Survey (ACS) produces population, demographic and housing unit estimates, for 2010, the 2010 Census provides the official counts of the population and housing units for the nation, states, counties, cities and towns.
