

EmployRI

EmployRI is a free, interactive on-line tool available to anyone with access to the Internet. The Dept. of Labor and Training offers this web product for job seekers, students, employers and analysts who are looking for information on current job openings, wage rates, skills analysis, industry and occupational projections, education resources and more. LMI updates the EmployRI web site as new information is released.

Features to help job seekers and students within the system include:

- ★ Assess your job skills, set goals, and research training providers
- ★ Research possible career choices online
- ★ Review available jobs and apply online
- ★ Research regional labor market information, such as salaries

Employer users will find the following features helpful:

- ★ Research labor market information on salaries and economic data
- ★ Search for qualified candidates
- ★ Assess the current trends in the job market to assist you when advertising your job openings
- ★ Review the current economic climate for your industry
- ★ Evaluate the labor supply in areas where you may be interested in locating your business

EmployRI can be viewed at
