New Employee's Certificate of Dependency Status Form

The RI Employee's Certificate of Dependency Status, Form DWC-04, was updated. The new version reflects changes in the Federal tax rules which replaced the exemptions for age over 65 and blindness with deductions.

An employee's compensation rate under the RI Workers' Compensation Act is based on the employee's number of allowable Federal exemptions. The revised form accommodates the Federal change.

The updated form is available in Excel and fillable PDF formats on our web site <http://www.dlt.ri.gov/wc/> under forms, insurer forms.
