

## Paint Manager/Foreman

The Rhode Island Turnpike and Bridge Authority (“Authority”), a quasi-public agency, seeks to hire a Paint Manager/Foreman. Candidates will be evaluated based on meeting some or all of the following criteria: NACE Level 2 Coating Inspector Certification, SSPC C-3 Supervisor/Competent Person Certification for Deleading Industrial Structures, SSPC Bridge Coating Inspector Level 1 Certification (Desirable), Fall Protection Training, Confined Space Training, a valid commercial driver’s license, experience operating a UBIU (snooper), knowledge of Word and Excel, a minimum of 5 years of experience with the planning, surface preparation and coating of complex bridge structures, previous experience supervising staff. Condition of employment includes a Bureau of Criminal Identification (BCI) check.

The Authority offers a competitive package, including a 401K plan and health benefits. Salary is commensurate with experience. Further job description information and application instructions for the position have been posted on the Authority’s website located at [www.ritba.org](http://www.ritba.org) under the News/Events tab.
