100 Save The Bay Dr.

Providence, RI 02905

The *Governor's Workforce Board and the Rhode Island Department of Labor and Training* have partnered to provide professional development opportunities to Rhode Island's youth serving professionals.

Monthly sessions are free to those who serve youth through workforce development, employment, social or human services, education or recreation. All topics are demand driven and designed to increase knowledge, share best practices and provide opportunities to learn about statewide resources.

Contact **Tamara Keane** at **401.462.8817** or Tkeane@dlt.state.ri.us if you wish to be added to the contact list for upcoming training events. You can also fax your information using the form below (**401.462.8818**). Monthly flyers and emails announcing the trainings will be forwarded to the contact list.
