**Course Outline/Topics to be Covered**  
 Business Analysts are responsible for analyzing the business needs of their clients and stakeholders to help determine business solutions to business problems. They are required to apply analytical skills to business requests, which are often at a high-level. A key duty is to ensure that these requests or requirements are consistent throughout the organization. Enterprise Analysis - Requirements Planning & Management - Requirements Gathering - Requirements Analysis & Documentation - Requirements Communication - Requirements Implementation. Aligned with the National CBAP Certification with the International Institute of Business Analysis. Class can be completed online at any time, and you will have 5 months to complete. Please refer to our website at [edc.bryant.edu](http://edc.bryant.edu) for more information.
