Course Outline/Topics to be Covered

Our Project Management Masters Certificate Online program is the next step in providing project managers with the understanding of how to lead organizational change efforts as well as the leadership skills necessary to positively impact the movement toward more advanced project management maturity. This online program allows you to maximize your learning experience by leveraging technology to achieve the next level of success. You must complete all six of the following courses to earn certification: Risk Management, Customer Requirements, Procurement for Projects, Estimating, Project Management Office, and Program Management. Please refer to our website at edc.bryant.edu for more information. This course is 78 hours. This certificate program is administered online.
