### Course Outline/Topics to be Covered

Taught by PMI Certified PMP Instructors, Bryant's Project Management Certificate Program is based on PMI's PMBOK methodology-a collection of competencies that demonstrates excellence in project management. You will learn how to be a project manager using worldwide accepted standards as you prepare for PMP certification. Upon completion of this program you will master the tools and techniques to enhance your project management skills, earn a certificate in project management and be prepared to sit for the CAPM or PMP exam. The online PMP Exam Review is included in this program. It is an online CAPM/PMP PMBOK review course - includes test-taking strategies and techniques, practice questions and best answer strategies. Class can be completed online at any time, and you will have 5 months to complete. Please refer to our website at [edc.bryant.edu](http://edc.bryant.edu) for more information.
