### Course Outline/Topics to be Covered

Are you prepared for an exciting career as a leader in the green-collar economy? After completing this premier certification program, you'll establish yourself as a sustainable business professional. You'll be ready to take responsibility for coordinating an enterprise's sustainability strategy across multiple functional areas, including sales, marketing, communications, new product development, global supply chain, operations, and corporate social responsibility. You'll start by learning the basics of green purchasing. Next you'll cover corporate social responsibility, and carbon strategies. You'll also explore environmental accounting, green transportation, and sustainability consulting.
