Address if program is held at a another site:  
78 Leavitt Street  
Seekonk, MA 02771

Program Name: Electronic Communications Technician

Office use only ONET Code: 49-2097

### CONTACT INFORMATION

Program Contact Person: John Zilch	Phone: <u>(508) 336-6611</u>	Fax: <u>(508) 336-8887</u>
	Email: <u>jzilch@mtti.edu</u>	Website: <u>www.MTTI.edu</u>

### Course Outline/Topics to be Covered

Placement assistance is available. Via a combination of classroom & hands-on training, students learn how communications networks are designed, constructed & made operational. Hands-on instruction include computer network construction, handling & splicing of telephone, cable television, satellite, fiber optic cables and security systems installation. Students participate in OSHA 10 training. Students learn to use test devices to measure communication signals & system maintenance procedures. Students complete an internship before graduation & are assisted with resumes & interviewing. Students train on laptop software & file management. Upon job placement with a Communications company, graduates of the course will receive up to \$200.00 in reimbursement for tool purchases as well as a laptop computer to help get them started in the field. Small class sizes; approximately 15-17 students.
