

NETTTS SUMMER TUITION REDUCTION SPECIAL

In the spirit of summer, New England Tractor Trailer Training will be reducing the rate of our agency 160hr/ 4 week program to \$3500 for the remainder of the summer! As you are already aware, the standard rate of the agency program is \$4395, so all of you will experience a savings of \$895. Additional fees of \$214.50 for RI and \$240 for MA will still apply. This fee is the cost of the drug test, physical, permit, and road tests for the respective states.

This is our way of thanking you for your business and helping reduce costs in order to help out more folks that are seeking employment in what are still challenging economic times.

This Special will remain in effect for all start dates in the Months of August and September.

Since classes start every two weeks, this special will apply to the following 4 start dates:

- 8/8/11
- 8/22/11
- 9/6/11
- 9/19/11
