ASQ Certification Refresher courses

Course No. 223 / DET Course ID #1075481

QPS is offering most of the certification courses. These courses have been designed to help you to prepare for ASQ Certification Exams. The course covers all the required areas of the body of knowledge, as specified by ASQ. This certification will enhance your quality career.

Course Benefits

Instructor will test the participants and they will learn weak areas. 300 questions/answers will be covered in the class. Our courses history shows that most of the students passed at first attempt Vs National average of 40-50%.

Prerequisites

See ASQ's certification requirements
