

Career Re-Set

Prepare for **Success** In **Today's** Work Place
at TCP Learning

Find the skills you need to land a
Good Job with a Solid Future!

Take 45 days to Re-Set Your Career!

Career Re-Set is designed for anyone entering the job market for the first time or **returning to the workforce after an extended absence.**

Career Re-Set is designed to make you more employable in 45 days by providing **demonstrable skills** and a positive, winning attitude that **employers want.**

***Career Re-Set* covers key areas necessary for job placement and successful performance:**

1. Computer Skills for the Office
2. Essential High Performance Skills
3. Skills for Advanced Performance
4. Personal Marketing
5. Employability Know-How
6. On-Line Career Center Skills and nine months of Career Center access

Career Re-Set spends a full **five days working on employability skills and personal marketing.**

And we have an **on-line career center** where employers view a "speed interview" video and other credentials.

PLUS...PLUS...PLUS:

All class at TCP Learning include up to 60 hours of free use of our Learning Space, computer equipment, and internet access.

**Call TCP Learning today - classes begin on the first Tuesday of each month
(401)232-9060 ext 14 or e-mail Classes@TCPLearning.com
