Course Outline/Topics to be Covered

Cosmetology course description: prepares students to secure an entry-level position in a salon or spa. The program includes theory instruction, a hands on workshop and practice on live models and school guest in a service area that emulates the salon or salon service environment. We provide a strong foundation of skills and knowledge to successfully practice cosmetology in order to prepare the student to pass the state licensing examination. This training provides development in personal and professional habits to create a successful career. Pre Salon Level is a comprehensive classroom training phase that provides the skills and knowledge to perform the basic service procedures. The focus is on the technical skill practices, which help student build their confidence. Skill sets: Haircutting, Hair designing, Hair coloring and lightening. Manicuring with artificial nail application, skin care and make up plus more.
