Course Outline/Topics to be Covered  
*(use separate document if more room is needed)*  
 Prince2 complements the widely accepted Project Management Body of Knowledge (PMBOK). For those Project Managers who are currently PMP certified can achieve Prince2 certification and earn PDU's. PRINCE2 has a series of Processes which cover all the activities needed on a project from start to finish and to provide clear, step by step, direction. PRINCE2's processes are complemented by several Components, such as Risk and Quality, which provide the building blocks of the project, along with a small number of Techniques which describe how to carry out specific activities; such as Product Based Planning or Quality Review. Exam & certification is included with this class.
