WORKFORCE INVESTMENT NOTICE: 05-06, Change 2

TO: Workforce Investment Areas

FROM: Donna Treglia, Administrator - Workforce Investment Office

SUBJECT: Common Measures Policy for the WIA Title I-B Programs and related performance issues

DATE: October 13, 2009

- PURPOSE.** This issuance notifies the Workforce Investment System of TEGL 17-05, Change 2. The intent of this guidance is to further clarify the application of the literacy/numeracy measure, initially provided in Attachment C, Educational Functional Level (EFL) Descriptors, in TEGL 17-05, issued February 17, 2006, and to rescind TEGL 17-05, Change 1, issued August 13, 2007.
- REFERENCES.** USDOL, ETA, TEGL 17-05
- BACKGROUND.** ETA published TEGL 17-05 on February 17, 2006. TEGL 17-05 included guidance on the literacy/numeracy measure for youth participants. ETA published TEGL 17-05, Change 1, on August 13, 2007, to provide further guidance on the literacy/numeracy measure for youth participants. This change TEGL rescinds TEGL 17-05, Change 1, and provides additional clarification on the measure, to be consistent with guidance from the Department of Education.
- ACTION.** Effective July 1, 2008 the revised EFL definitions must be used by LWIBs in conjunction with all youth providers. This will necessitate revising youth forms currently in use as well as incorporating these changes to the WIASRD database. Referenced USDOL/ETA's TEGL 17-05, Change 2 is attached and made a part of this issuance. View this document at:
