In addition to the foregoing new data elements, there are other changes with respect to existing elements (for instance, how the data are reported might have been changed):

- In the prior WIASRD, Code 1 signified YES and Code 2 signified NO. In the new WIASRD, Code 1 still signifies YES, but Code 0 signifies NO.
- FOR *Gender, Disability, Category of Disability, Ethnicity and Racial Categories* – Code 9 added for participant who does not disclose or self-identify.
- *Highest School Grade Completed* no longer for all youth and A/DW who received intensive and training services. Now also required for self-service and staff-assisted core services.
- *School Status at Participation* now required for all populations, not just youth.
- *Low Income* now required for DW and also for A who received staff-assisted core services (was only previously required for A who received intensive or training services).
- *Limited English Proficiency* now required for staff-assisted core services (in addition to I/T)
- Reporting partner program participation now required for Job Corps, NFJP, INA Programs, Veterans' Programs, YouthBuild, Title V.
- Coding changed for *Type of Recognized Credential*.
- Different coding values for *Incumbent Worker*.
- Another coding value added for *Category of Assessment, Functional Area, Educational Functioning Level* (Code 0 = Not Assessed)
