

## **NOTICE OF PUBLIC COMMENT PERIOD**

The Department of Labor and Training (State Workforce Investment Office) is soliciting comments from the public regarding the extension of waivers of the following regulations of the Workforce Investment Act:

- Waiver of WIA Section 134 (a)(2)(B)(ii) and 20 CFR 665.200(d) to exempt the state from the requirement to conduct evaluations.
- Waiver of WIA Section 134(a)(2)(B)(iii) and 20 CFR 665.200(e) to exempt the state from the requirement to provide incentive grants to local workforce investment areas.

These waivers have been approved by the United States Department of Labor in the past and are scheduled to expire on June 30, 2014. The reason for the request is due to a reduction in federal funds that were previously available to conduct the activities.

Comments or questions on the waiver requests should be mailed or emailed to the contact information below between the dates of April 30 and May 9, 2014. Comments will be reviewed and added to the request as appropriate.
